

# THE HEATHER SOCIETY

acting as

INTERNATIONAL CULTIVAR REGISTRATION AUTHORITY

certifies that

***Erica cinerea* ‘Angela’**

has been registered by

**DICK DE BRUIJN**  
Boskoop, Netherlands.

REGISTRAR \_\_\_\_\_ DATE \_\_\_\_\_  
on behalf of The Heather Society

Its characteristics at the time of registration were

Flowers single, corolla ruby–beetroot (H5–H9); calyx green/reddish brown;  
blooming June to August or September.

Foliage dark green.

Habit broad, erect; after 5 years (pruned) 20cm high, 25cm broad.

Origins: sport on ‘Pentreath’; has same good characteristics as ‘Pentreath’, but “special colour”.

Named by Dick de Bruijn after his wife, Angela.

**Cultivar registration number: E.2007:14**
