

## THE HEATHER SOCIETY

acting as

INTERNATIONAL CULTIVAR REGISTRATION AUTHORITY

certifies that

***Erica* × *darleyensis* ‘Winter Treasure’**

— named by David Wilson —

has been registered by

**WILSON’S NURSERY LTD**  
Chilliwack, Canada.

REGISTRAR \_\_\_\_\_ DATE \_\_\_\_\_  
on behalf of The Heather Society

Its characteristics at the time of registration were

Flowers: corolla pink; sepals red-brown; November–May.

Foliage: dark green.

Habit: loose, upright.

Origins: selected seedling from the deliberate crossing, made in 1999,  
*E. carnea* ‘Treasure Trove’ × *E. erigena* ‘Irish Dusk’.

“Differs from other clones in having dark buds and clear pink flowers.”

Named for the flowering time and its parent ‘Treasure Trove’.

**Cultivar registration number: E.2008:09**
