

# THE HEATHER SOCIETY

acting as

INTERNATIONAL CULTIVAR REGISTRATION AUTHORITY

certifies that

*Erica cinerea* ‘Flott’

has been registered by

**MRS MARY BOWERMAN**  
Champs Hill, Coldwaltham, Sussex, UK.

REGISTRAR \_\_\_\_\_ DATE \_\_\_\_\_  
on behalf of The Heather Society

Its characteristics at the time of registration were

Flowers: single, purple shading to crimson (H10 to H13), late June/July–October.

Foliage: very fine, pale green shading to yellow with red tips.

Habit: compact, after 4 years 16cm tall, 18cm across (not pruned).

Origins: sport on ‘Blossom Time’ at Champs Hill in 2003,  
noticed and propagated by Sid Brown.

**Named after**  
**DAME FELICITY LOTT CBE**  
**who is universally known as “Flott”.**

**Cultivar registration number: E.2009:04**
