

THE HEATHER SOCIETY

acting as

INTERNATIONAL CULTIVAR REGISTRATION AUTHORITY

certifies that

***Erica erigena* ‘Golden Jubilee’**

has been registered by

BARRY M. SELLERS
Norbury, London, UK.

REGISTRAR _____ DATE _____
on behalf of The Heather Society

Its characteristics at the time of registration were

Flowers: corolla white, ovoid or urn-shaped, 5–6mm long, to 2mm wide; calyx white, 3–4mm long; anthers white; style end white; January–April/May.

Foliage: yellow when in sun; lime-green in shade.

Habit: shrub; after 30 years approx. 1m tall.

Origins: deliberately raised seedling from ‘Golden Lady’;
does not revert like that cultivar.

Named to mark the Golden Jubilee of The Heather Society in 2013.

Cultivar registration number: E.2013:02
