

THE HEATHER SOCIETY

acting as

INTERNATIONAL CULTIVAR REGISTRATION AUTHORITY

certifies that

***Erica* × *factitia* ‘Heidedorf Lüllingen’**

has been registered by

JOHANNES VAN LEUVEN
Geldern, Germany.

REGISTRAR

DATE **29 December 2016**

on behalf of The Heather Society

Its characteristics at the time of registration were

Flowers white; malformed style-end noticeably crooked;
stamens with sigmoid bend towards apex of filament;
anthers without any visible awns (not even a tuft of spicules).
Some flower bud aborted.

Origins: deliberately raised seedling from *E. lusitanica* × *E. carnea* ‘Winterfreude’,
cross made by Johannes van Leuven in 2012; clone 7.

Cultivar registration number: E.2016:08
